## AGAPE FEAST

This year's agape feast was celebrated on December 31st. What a great blessing it was to close the year with Communion Service and fellowship with each other. I pray that everyone had a wonderful time with family and friends during the holiday season. I invite you that together we keep our eyes on Christ as we let Him lead us into this new year.

## CHRISTMAS SOCIAL

On December 16th, the church celebrated its annual Christmas Social. The event was fun with games and food. There were games for all ages and many participated in the white elephant gift exchange. I want

## CACS CHRISTMAS PROGRAM

Saturday evening, December 15, CACS provided the vespers service with a wonderful musical program. The guitar and piano students each performed pieces that they had prepared. Then the entire school participated in a performance of the musical HARK! This program presented the Birth of Christ from the viewpoint of the angels who watched Him descend from His throne to a lowly manger to save us all. It provided an interesting perspective and wonderful music. Everyone did an excellent job! Afterward there was a soup supper fund raiser followed by games in the gym. We want to thank our Home and School for organizing this event and for all the church members who turned out to participate together. We hope you will join us for the next CACS program, scheduled for Saturday night, January 26.
